Country Overview

Encouraging Macro Conditions

Robust economic growth accelerating middle class formation and increasing housing demand

Property Price Index

- Mortgage consistently being Indonesian customers' preference, even with increased interest rate due to inflation.
- There is an imperfect correlation between mortgage rate and benchmark rate.
- The composite Residential Property Price Index (RPPI) relatively tends to increase since 2020.
- In overall, CTRA's total marketing sales trend is inline with the RPPI trend since 2018.
